74.33%

PROJECTS

• Amazon Clone
Made a project on Frontend of Amazon Web Page. It is not a responsive page but it helped me to utilize my skills.

• Netflix Clone
Created responsive Netflix Clone with the help of CSS and HTML by the help of YouTube.

• Solar Based Plant Irrigation System
Made a project in the 3rd year of my graduation that is a system which automatically waters the plants or fields when needed. It uses solar to operate a motor. Solar is used to convert heat energy into electrical energy.

• Web Page of Food Order Website
Created a responsive Food Order Website with the help of CSS and HTML with the help of YouTube.

• Portfolio
Created my responsive portfolio with the help of CSS, HTML, JavaScript by the help of YouTube.

• Wind Energy
Made a project in the 2nd year of my graduation which uses wind as an energy to produce electricity.
